Later, they are talking about how to fight the Demon on the captured child and how to destroy its soul, when a crow flies in and sits on the first Exorcist's head, sending him into a state of nervous exhaustion. When the Demon appears from another side, Rin opens up a healing portal to try to bring the first Exorcist back. However, the Demon pushes Rin away and restrains him with a handshake. Shura tells them that the child's mother brought the Demon. The Demon has the mother's eye in order to turn her into a Demon servant so that she can hunt Rin and the Exorcists down. The Demon forces Shiemi and the other Exorcists to stop using their powers, telling them that their existence is a threat to his rule. Shiemi says that this Demon can not be allowed to exist and says that she will stop him with the power of her eyes, to which the Demon tells her to forget about it. At this moment, Shiemi, Konekomaru, Rin, and Yukio stand in front of a window, looking down the street, and Shiemi asks how the Demon knows to look there. In the past, the five Exorcists defeated the Demon, saving Shiemi. However, when the Demon showed up again, Shiemi was hit by a blast from the Demon, which caused her to fall off the window. The five Exorcists then appeared in different places within the city. Shiemi was moved to the Academy Library. The Demon attacks and destroys the library, thinking that they will soon follow her to another location. Shiemi asks Rin if he can fly faster than a bullet. He asks Shura if he can throw bombs. They ask Konekomaru if he can think fast. They come to the conclusion that they can kill the Demon if they work together. Rin tells them that he can take the Demon to a dimension where they can team up to fight him. Rin then runs in the direction he saw Shiemi fall, so the five follow him. They arrive at an old temple in a quiet, little-used neighborhood.
